## Management Committee meeting

Monday 13<sup>th</sup> April 2026

Billericay Town FC

Present: Derek Hornsey, Richard Coleman, Trevor Ridley, Gary Murphy, Simon Crump.

Apologies: Robin Ogilvie, Kevin Preston.

Meeting started at 10:00am.

### **Fixture Secretary**

Unfortunately Kevin was unable to attend. The meeting was called so that we could resolve the problem of not using Billericay at the same time as Heybridge. After much discussion it was agreed that it would be impossible to organise the 70s to play at the same time as the 74s, because some of the 70s played for the 74s as well. Due to the fact that we had already given out all of the dates for the season it would be impossible to alter another age group to play on the same day as the 74s. Next season both Billericay and Heybridge would be used on the same day for different age groups.

### **Referees**

Next Referees meeting will be on the 13<sup>th</sup> May at 7pm. Another meeting will be held at a later date for all of our new referees. Trevor will be putting together a format on how we access our new match official on the Laws of the game and how they manage games. This will be implemented at the new referees evening when organised.

### **Registration Secretary**

Unfortunately Robin was unable to attend. Players eligibility will be discussed at next meeting.

### **Treasurer**

Finances are good, a number of Clubs have paid seasons fees up front.

### **Representative Team Managers**

Gary informed the committee that Mark was now helping Simon with the 50s and 60s. Simon agreed that having Mark help out with his vast knowledge of running a team was a great help. The cost of training was covered by the players. The League covered the cost of tournament entrance.
