

# Essex Walking Football League

## Management Committee meeting

Monday 2<sup>nd</sup> March 2026

Billericay Town FC

Present: Derek Hornsey, Richard Coleman, Trevor Ridley, Kevin Preston, Simon Crump.

Apologies: Robin Ogilvie.

Meeting started at 10:00am.

### **Fixture Secretary**

Kevin had set up Full Time with six Leagues instead of one League and six Divisions. Although it works better for the Clubs when checking Full Time for fixtures and results. The system set up in this way does not allow for communication between all parties. Because at this precise time we have showing six Leagues the system will not allow all six to be set up as a default. Until all six Leagues have been merged into one the League is unable to communicate either by email or text through the Full Time System. Once this has been resolved referees will be able to receive communication through the system notifying them of their fixtures. Kevin has agreed to start amalgamating the six Leagues into one from this afternoon. It will take a few weeks to complete the transfer of fixtures.

### **Registrations:**

The following clubs have not yet registered their teams:

Bexley  
Romford  
Ebbsfleet  
Stones  
Wakering

Robin and Trevor have had problems contacting Ebbsfleet. It was decided that the Secretary correspond with the Club allowing them until Wednesday of that week to respond or their application be withdrawn.

### **Rep Team Manager:**

Update on Representative football and also Parsloes Park venue.

Meeting closed at 11:15.
