Hospitality

A letter is to be sent to all clubs Informing them that for the month of May no hospitality will be provided. Also the fee for the month of May will be reduced to reflect that no hospitality will be given. Over the four week period the Committee will try to find a way to supply hospitality that does not take up the time of one of the Committee member having to run around collecting everything. If any Club have a suggestion on how to resolve this problem could they please either let Richard or Trevor know.

Laws of the Game

An update of the new version will be proposed at the AGM . Any amendments should be put in writing to the League Secretary prior to the AGM for circulation to the clubs prior to the meeting.

Referees

It is proposed that we hold a Referee workshop for all those match officials that have not been on The FA referee course until Essex County FA can arrange one. This will allow us to inform all match officials of The FA current laws of the Game. Robin said that he could phone Mick Hill to find out if he could organise a referee course as he is an FA tutor.

Registrations

Robin confirmed that they were all fine, we have well over a thousand players registered.
