 Maximum 35m

Pitch dimensions for over 65s, over 70s & over 75s events should be 40m x 30m maximum.

LAW 3

The Players

Number of Players

Teams will play 6-a-side where possible i.e. 5 outfield players and one goalkeeper.

The maximum squad size is 9.

Substitution Procedure

The maximum number of substitutes permitted is three.

Substitutions may only take place when the ball is out of play.

The referee must be informed when a team wishes to make a substitution.

The player entering the field of play must do so from the halfway point.

A substitution is one that is made when there is a stoppage in play for which the following conditions must be observed:

The team manager/captain must clearly advise the referee of their wish to make the substitution and of the shirt/bib number of the player being substituted.

If a player receives a second warning, they may not be substituted until after the resulting free kick has been taken and the next time the ball has gone naturally out of play (not artificially created by the team wishing to make the substitution).

LAW 4

Players' Equipment

4.2 Basic Equipment

Every player's jersey or bib must carry a unique number.

In the event that the colours worn by a team do not sufficiently distinguish the team from the referee, that team must provide to the referee a bib of a colour that is distinct from the team's colours.

LAW 5

The Referee

The Authority of the Referee

The EWFL operates a zero-tolerance of dissent, abuse, argumentative behaviour, foul language or sarcasm directed at referees and others. A player failing to observe this policy will be awarded a timed suspension (sin-binned) from a match. A player guilty of prolonged or extreme abuse directed at an official or another player will be red-carded and will take no further part in any matches on that match day.

LAW 6

The Additional Match Official

LAW 7

The Duration of the Game

The duration of league matches will be informed by the number of fixtures to be played at match-day events. It will be determined by the FRS and notified to participating teams in advance of the match-day event.

Playing times will be as follows:

- Minimum 15 minutes
- Maximum 20 minutes

All matches will be split into two halves. Half-time breaks will be of 2 minutes duration. The teams will change ends for the second half of the match.

Referees have discretion to extend the duration of matches to take into account time lost on account of stoppages.

Fouls and Misconduct

Free kick Offences

A free kick will be awarded to the opposing team if a player commits any of the following offences:

- Is deemed by the referee to be 'time wasting'
- Runs or jogs whether or not the ball is in or out of play unless:
 - retrieving the ball when it is out of play. All players remaining on the field of play may only walk to take up attacking or defensive positions.

LAW 12

Misconduct

No tackling is allowed from the back, side or the front.

Disciplinary Sanctions

The referee will use a Green card to indicate a warning for tackling/contact. A third warning will be indicated by a Blue card and 3 minutes in the Sin Bin.

The time in the sin bin for a Blue card will be three minutes.

After a player is given a second warning the resulting free kick must be taken before any substitution takes place for the offending team.

A sin binned player will be informed by the referee when the suspension has been served and invited to re-join the game when there is a stoppage in play.

A player who is red-carded will be disqualified from participating in any further EWFL matches that day and any subsequent EWFL events, regardless of age group, until the EWFL Disciplinary Committee has notified the player and their club of the resulting sanction.

NB Any team whose players have been red-carded will be scrutinised by the Disciplinary Committee and, depending upon the severity of the offences that gave rise to the red cards, may be disqualified from further participation in the Competition.
